## Blood Needed For Viet Nam

American National Red Cross, agency responsible for collecting blood for the Department of Defense, has been requested by Secretary of Defense Robert S. McNamara to collect at least 500,000 units of blood by June 30. All American servicemen in Viet Nam are being given increased protection in the form of injections of gamma globulin, according to Derek McEvers, County Executive.

Gamma globulin, a blood derivative used to fight hepatitis, as well as other diseases. In addition gamma globulin, serum albumin, another blood derivative used in treating shock, is also provided by the Department of Defense by the American Red Cross.

## Final Follow Up Under Way As Uncle Sam Gets Checkup

Who are the people most likely to get cancer while their friends or families go unscathed? Why does this happen? What are the clues to cancer before it strikes? Answers to such questions are being sought in the mammoth Cancer Prevention Study. It is being carried out by the American Cancer Society with the help of 68,000 volunteers. The sixth and final follow up is under way.

# CLEAN-UP CAMPAIGN TO BEGIN

## Where There's Smoke

If you don't smoke cigarettes, DON'T START. If you do smoke cigarettes, stop. If you can't stop, cut down.

On Wednesday evening, April 20 at 8 p.m. at the County Library a series of three short films will be shown to all persons interested in breaking the cigarette habit. A local M. D. will be present. This program is sponsored by your Crawford County Cancer Unit and is free of charge.

## Blue Cross Offers Medicare Gap Filler

DETROIT—Michigan Blue Cross and Blue Shield announced here today a special, low-cost health care plan to fill the gaps in the new Federal Medicare program.

Named Blue Cross-Blue Shield 65, the coverage will be offered to all Michigan residents eligible for Medicare.

In a joint statement, Blue Cross Pres. Wm. S. McNary and Blue Shield Executive Director John C. McCabe said that Medicare and Blue Cross-Blue Shield 65 will "provide the best combination of benefits and rates ever available to Michigan residents 65 and older, and will allow our 317,000 members in this age group to continue their valuable membership in Blue Cross and Blue Shield."

They emphasized that the plan and rates have been submitted to the Michigan Department of Insurance and that the Department's approval is necessary. McNary and McCabe said the proposed monthly rate for the plan will be \$3.36 a month for each non-group subscriber. Even lower rates subject to merit adjustments, are available to those with existing group coverage. Groups will be offered several optional levels of coverage.

## Four County Young Men Waive Examination

Four Crawford County young men waived examination last week in Justice Court and were bound over to appear in Circuit Court on charges of breaking and entering.

The four, James R. Wakeley, 20, Larry W. Bancroft, 18, Anthony Galloway, 20, and Gary D. Yoder, 22, all of rural Grayling, were arrested by sheriff's officers Thursday, April 7th.

They waived examination on charges growing out of the break-in March 21, of the Arthur Wakeley store before Justice O. H. Williamson. Bond was set at \$1,000 each.

Heading the investigation were Sheriff Arthur Clough, Deputy John Galloway and State Police Trooper, Donald Schulteman.

## MTU - SOO Officer To Visit High School

John R. Truckey, Admissions Officer at Michigan Technological University, Sault Ste. Marie Branch will visit fifteen high schools in northern lower Michigan next week.

While meeting with principals, guidance counselors and interested students, Truckey will explain the academic program and student facilities available at MTU-Soo.

High schools at Houghton Lake, Benoni, Grayling and Roscommon are on his schedule for Thursday, April 14; and on April 15, Truckey will be in Manistota, Traverse City and Kalkaska.

## DAVID KATIMAKI LAID TO REST

David Katimaki of Grayling passed away at the Traverse City State Hospital April 11, 1966 following an illness of some length. He was 79. Funeral services were to be held at 1 o'clock on Wednesday, April 13, 1966 at the Elmwood Chapel with the Reverend Harris Jepsen officiating. Burial was to be in Elmwood Cemetery.

A resident of Grayling for many years, and retired Kerry and Hanson millworker, Mr. Katimaki was born in Joutsassa, Finland on December 17, 1886. His wife, Helma, preceded him in death about 40 years ago.

Survivors are a son, Toivo Katimaki of Johannesburg, and one

## May Lose Blood Program

Crawford County is in danger of losing the American Red Cross Regional Blood Program. The county quota is 600 pints per year. This means that an average collection of 200 pints per bloodmobile visit is necessary. On the last mobile visit on December 2nd, only 123 pints of blood were collected.

## County's Farms Now Total 27, Bureau Reports

A total of 27 farms was counted in Crawford County during the 1964 Census of Agriculture, the U. S. Department of Commerce's Bureau of the Census reports.

In the last previous Census of Agriculture (1959), the total counted in the county was 36 farms. The 1964 total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 229.5 acres and that the average value of the county's farms (land and buildings) in 1964 was \$23,374.

Other important county statistics in the report are:

1. Value of all farm products sold by farms in the county in 1964 \$88,463; in 1959, \$32,663.
2. Value of all crops sold by county farms in 1964, \$8,847; in 1959, \$11,318.
3. Value of all livestock and livestock products sold by county farms in 1964, \$77,851; in 1959, \$21,345.

A Census of Agriculture is taken every 5 years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. The data are needed to make decisions affecting many segments of the U. S. economy. The 1964 farm census was the 18th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in the county. Among additional facts it contains are the number of farms by size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm work, and number of school years completed; land in farms by use and by land-use practices; data on equipment and facilities; farm expenditures; number of hired workers; and number of farms reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

Note: Single copies are available for 10 cents from the Bureau of the Census, Washington, D. C. 20233 or from any field office of the Department of Commerce. These are located in major cities.

## GOING FISHING?

If you are, you will be interested in the program at the Friends of the Library meeting next Tuesday evening. Guest speaker Mr. B. L. Jacobs Fish Biologist of M.D., will give opening day predictions in the Grayling area as well as talking about specific fishery problems and the fish stocking program. This April 19 meeting of the Friends is open to all interested persons and will be held at the Library at 8 p.m.

## Senator Hart States Zoning Is Needed

ANN ARBOR — Zoning regulations are soon going to be as important in the north woods as they are in the city, Senator Philip A. Hart said at the University of Michigan.

Hart, speaking at an Honors Convocation of the School of Natural Resources, warned that "land pollution" by unsightly development is as great a danger to the state as water pollution by unclean wastes.

"We are responding to increased recreation demands by building highways into regions of beauty and remoteness," he said. "But with this new access, the pressures for land development will be obvious."

"We must take steps to see that natural scenic beauty isn't destroyed by jumbled development," Hart recommended.

The FHA-insured loans be extended to cover vacation homes, giving builders easier financing in return for strict observance of minimum-lot sizes, and natural landscape preservation.

Any federal matching funds for scenic highways be contingent on state action to preserve natural beauty along the way.

That a "vigorous" educational program be undertaken to convince rural government officials of the importance of planning and zoning.

## Let's Be Saving

THE FIRST Thing to Save For Your Old Age is YOU. How to do it? Have a checkup once a year. It could prove your most valuable form of health insurance because it can detect cancer or other serious illness before symptoms appear.

The Crawford County Cancer Crusade will be held next week and includes free public films for women on Wednesday afternoon and for smokers on Wednesday evening. Check the calendar of events for particulars. — Save yourself for your old age.

## Crawford County G.O.P. Announces Meeting Dates

Mrs. Earl H. Longworth, Public Relations Director, has announced the following changes for meeting dates.

Regular monthly meetings will take place on the second Wednesday of each month in the Crawford County Court House at 7:30 p.m.

Regular monthly breakfasts will be held the first Saturday of each month at 9 a.m. at the Chief Shoppenagons, Motor Hotel in Grayling.

Some very interesting items are scheduled for the breakfast on May 7th, and the monthly meeting on May 11th. Please do not miss these two very important meetings for May. We'll plan to see you then.

## War Announced

Mr. and Mrs. Eugene Harmer of Frederic wish to announce the marriage of their daughter, Andrea Jean to Pvt. Richard Lee Dowland, son of Mr. and Mrs. Donald Dowland of Higgins Lake. The couple was married on April 4th at 7:30 o'clock in Roscommon. Andrea is a senior at Frederic Community School. Richard returned to Fort Bragg, North Carolina where he resumes his Army training.

## Will Run From April 15th to May 15th

By Lora Gould

April 15th to May 15th has been designated as Clean Up, Paint Up and Fix Up time for Grayling for 1966. Letters have been mailed to the Grayling homes asking for cooperation in this year's campaign. Please keep this letter handy so you can refer to the dates for City Pick Up.

John Horton, who is going into business locally as Viking Supply, has offered the use of his truck for one month starting April 15th to remove any old lumber piles, scrap piles, etc., from within people's yards. This is within the City limits. If you have some unsightly item or pile in your yard which you can not get removed, Mr. Horton has volunteered to do this as a Community service, free to you, in order to help get Grayling really cleaned up. If you have something

## Eagles Diamond Squad Prepares

by Rex Alma

Coach Ren-Freel is preparing his team of Frederic High stickers for their opening baseball game, an away affair with Boyne Falls on April 19. Boyne Falls has a strong team this year and should be a stern test for the Eagles.

Frederic has four returning regulars: Tom Koernke at shortstop, Rod Hinkle a pitcher, Fred Hinkle a catcher and Jim Weaver at first base. Leading the team will be captain Koernke who was an All League selection last year.

Other probable starters include: John Redman at second, Dave Henion at third and Jim Gauthier, Max Tobin, Jan Gauthier or Mickey Haas in the outfield.

Two Frederic High athletes received pleasant surprises this past week, Tom Koernke was informed by Michigan State University that he was being considered for a baseball scholarship and Jim Weaver received honorable mention in the Associated Press Class D all state basketball selections.

Please do not miss this all-important meeting. New members welcomed.

## Top State Officials Pay May Jump

PAY AT THE TOP

Total cost of top-level state administration will jump sharply next year if the State Civil Service Commission's recommendations are accepted by the Legislature.

Under the 1963 Constitution, the Commission is responsible for recommending pay levels for all executive appointive positions which are not classified, plus the few elected posts.

The present salary levels for these posts range from \$16,000 for the head of the Licensing and Regulation Department, to \$30,000 each for the Governor and Mental Health Director. This top figure is also authorized for the unnamed Superintendent of Education.

Legislators and the Governor have previously discussed raising the salaries for these top 20 posts. Another 20-odd positions are involved in the Commission plan because each of the department heads has one or more deputies not classified by civil service.

Currently the nearly 100 posts involve an expenditure of \$1,221,000. The recommended changes would boost this by \$220,000. Only two of the 20 department heads would remain at present levels, \$20,000 each for the elected Secretary of State and Attorney General.

Highest paid under the Commission plan would be the Mental Health Director, a psychiatrist, at \$35,000.

The Commission says the boost would be paid in two installments. The first would be \$100,000 and the second \$120,000.

Kay Gillian To Entertain Grayling Playhouse Guild

The first meeting for the 1966 season of the Playhouse Theatre Guild of Grayling will be held on Wednesday, April 20th, 10 a.m., at the home of the chairman, Mrs. Earl H. Longworth.

Kay Gillian of the Playhouse Company will be here from New York City to entertain you with several readings and a preview of coming attractions for the 1966 season at Houghton Lake Playhouse. Miss Gillian, wife of producer-director Phillip J. Smith, will be returning for her fourth season with the Playhouse, and on stage has acted from Utah to Maine to off-Broadway, in everything from "Hamlet" to "Harvey".

This winter, Miss Gillian has worked on various TV shows, made film short subjects and TV commercials, and dubbed voices for foreign films, all from her home base in New York City.

We are sure you will not want to miss this very interesting hour with Kay Gillian. So please join Marilyn Longworth and Kay Gillian for coffee on Wednesday morning, April 20th. Time 10 a.m.

you wish removed, call Mr. Horton at 348-3373 or if you can not get hold of him, leave your name and address at the Housing Commission office 348-9314, and the message will be relayed to him. Now there is no excuse for not clearing up our yards. We have Honor cards for your windows as soon as you have accomplished your spring Clean Up. We hope to see an Honor card in every home in Grayling. We still need a couple more volunteers to help contact each and every home. We know we can't all go out and build a new home, but we certainly can clean up what we have now. The local merchants are also running Clean Up specials to help you in your projects.

Call the City office or the Housing Commission office for any special problems you have and please cooperate with the volunteer who calls on you. He or she is giving freely of their time to help make a nicer, cleaner, more attractive Grayling.

A group presently composed of fourteen 2nd graders is undertaking the raking of yards as a money-raising project for their newly formed Grayling Junior Gems and Mineral Society, which is being sponsored by Howard Taylor, teacher of geography and vocal music in the high school. The money is to be used for a proposed field trip to the upper peninsula when the weather is better, to hunt for various types of gem minerals. If anyone would like the services of any of this group to assist in the clean-up campaign, call Mr. Taylor either at home, 348-9235, or leave word at the high school.

## Announce Annual Meeting Of Golf Auxiliary

Marilyn Longworth, 1966 President, has announced that the annual meeting will take place Monday evening, April 25th, 7:30 p.m., at the Grayling Country Club House, for the Auxiliary.

Please do not miss this all-important meeting. New members welcomed.

## LOCAL HELP

Rapid growth of the state's major colleges and universities is frequently chronicled while another education institution gets less largely unnoticed despite their increasing importance.

Community colleges are now taking their place in education. Today there are 19 in operation. Another five will soon open doors to students.

Last year the state contributed about \$4 million to assist in the creation and expansion of community college facilities. This year the capital outlay allotment is expected to be at least double that, and possibly triple or more.

Space problems at the four-year institutions of higher education continue to exist despite massive construction programs. The community colleges seem to offer the answer to part of these problems.

In addition, schooling beyond the secondary level becomes more in demand. Community colleges offer many courses on a one or two-year basis to enable youths to fit into jobs.

Existence of the college programs locally, or within commuting distance, brings higher education within the financial reach of many thousands who could not attend a campus elsewhere.

Proof of the community colleges' importance is seen in statistics such units now in use or planned. In 1955 community colleges, usually known at that time as junior colleges, listed enrollments of about 13,500. Last fall some 61,275 students were enrolled.

ATTEMPT CONTROL

A spending ceiling on State Senate committees was put into effect this year. It was viewed with mixed reactions by lawmakers.

The \$10,000 annual spending limit would apply to all except the important Appropriations Committee, by far the busiest of the working units in either house.

## BITS O' TALK

Of 28 conservation officer recruits who will bolster law enforcement ranks of the Michigan Conservation Department in April, eight will be assigned temporarily in the U. P. to team with veteran officers to gain experience in law enforcement and overall field operations. They will also receive six weeks training in June at the Higgins Lake Conservation school, and those who successfully complete the course in early August will be permanently stationed throughout the state, reports Field Deputy Dorcas J. Corry. Among the eight to be assigned to the U. P. is Michael J. Sheehy of Grayling.

Mrs. Shirley Arnold, who is recuperating from surgery at the home of her daughter and husband the William Crepins in East Detroit, expects to come home in about two weeks, Mr. Arnold reports.

Mr. and Mrs. William LaGrow drove to Detroit on Friday, April 1st to meet their son Joe who flew in from Fort Dix, N. J. to spend the weekend with them, and took him back on Monday of last week.

Mr. and Mrs. Bill Higbee drove Hiram Atwell to Jackson Sunday to the home of his daughter, Mr. and Mrs. Richard Hartin and with them planned to visit in Texas and also in Cortez, Fla., at the home of another daughter, Mr. and Mrs. Ed Haas.

Mr. and Mrs. Art Williams visited their daughter Joan (Mrs. Jerry Welch) who was taken by ambulance to the hospital in Ann Arbor Saturday, April 2nd for treatment of a kidney ailment. They reported Joan as in fair condition on their visit Wednesday last.

Mr. and Mrs. Barry Pitts and children of Toledo, Ohio came Saturday to spend Easter with her parents, the Clarence Holcombs, and took her sister, Miss Darlene Portwood back with them to spend Easter week in Toledo.

### Grayling Regional Chamber of Commerce

Memo: To the People of Crawford County.

From: Sal Truettner, President

Subject: Chamber Membership.

We, at the Chamber, would like to say we have hit the jack pot. We would like to chalk up 100% membership. We lack about 15%. We do not intend to boycott those who do not belong. (However we have to advertise and boost those merchants first that do belong). Probably they all have good reasons for not belonging. We have heard some of the reasons. There are a few old wounds left open from years back when the Chamber was first new and which we had no control over. We have made a lot of mistakes, which we are trying hard to rectify. Some claim they do not need the Chamber. We agree with them there because some businesses are so well established that they would get business whether there was a Chamber in existence or not. BUT WE NEED THEM and we do think if they joined-up with us that may be just once in a while we could do them a favor. And we think maybe they would feel better knowing in their own minds they were helping us, and after all "It's better to give than to receive". Well, isn't it?

COOR School Board members Bill Joseph and Ace Long were in attendance at the meeting held Wednesday evening, at the Grayling High gym.

Mr. and Mrs. Robert Strong II, Stephanie and Bethany of Alpena arrived Friday to visit their parents, the Walter Mikesells and the Robert Strong's Easter weekend.

Mr. and Mrs. Fred Bear returned home Monday of last week after enjoying a month at the Buccaneer Lodge, Marathon, Fla., and a week at Key West. Mr. Bear made some pictures of taking manta ray while in the south.

We do fibre glass drapes at Bill's Laundry and Dry Cleaners.

Mr. and Mrs. Charles Kroll spent three weeks visiting his brother, Mr. and Mrs. William Kroll at Key West recuperating from his stay at the University Hospital, Ann Arbor, then returned home Saturday a week ago in time to experience our April snows. Their daughter Hannah is spending Easter vacation skiing in Colorado and will return direct from the west to her studies at the U. of M.

The Bruce Smiths and daughter Kim, the Ward Ellisons and children Ward and Kathleen, the Don Gothros and daughter Mary Ann, Dr. and Mrs. B. E. Henig and daughters Gretchen, Claudia, Candace and Bettina, Mr. and Mrs. Richard DuBois and son Steve, left Friday to spend Easter week at Pine Mountain, Georgia.

The Rev. and Mrs. Richard Bielski and children Marcella and Joel of Louisville, Ky., arrived Monday to spend the week visiting his parents, the Joe Bielskis. Richard's brother and family, the Marvin Bielskis and Mandy and Tammy of Flint visited them on Friday and Saturday.

Mrs. Lorne Douglas, Mrs. Esbern Olson and Miss Margaret Failing arrived home Thursday morning after spending the winter months at Bradenton, Fla.

Mrs. Hannah Baker left Thursday to spend Easter weekend with her son, Mr. and Mrs. Kenneth Baker and family.

Mr. and Mrs. Mike Lapka returned home Thursday, the last day of March, after spending the winter months at their home in New Port Richey, Fla. They enjoyed visits from various Grayling folks, the Byron Randolphs, Hans Peterson and the Charley Longs.

Representatives of the U. S. Department of Agriculture held an all-day district meeting with luncheon at the Chief Shoppenagons Motor Hotel Tuesday of last week. A group of General Telephone personnel attended a luncheon meeting on Wednesday, also another group of Standard Oil people met there during the afternoon.

Carolyn E. Klein, freshman daughter of Mr. and Mrs. Robert W. Klein, 300 Maple, Grayling is a member of the 72-voice Albion College Choir which is making 12 public appearances before church and high school audiences in Michigan and Illinois on its 35th annual spring tour, April 17-24, 1966.

About 190,000 men, women and children will be saved from cancer this year. Most of them, according to the American Cancer Society, because they saw their doctors in time for prompt treatment.

Very special thanks to all who sent such wonderful cards while I was in the hospital at Detroit. Rhea Arnold

## Letters To The Editor

Editor's note - The following letter was received by Grayling High School principal Elmer Fortson and should be of interest to many of our readers.

Tournament Manager Grayling High School Grayling, Michigan Dear Sir:

We of the Athletic and Administrative Staffs of Allegan High School cannot let your recent kindnesses to our scouting teams pass without a word of thanks.

Our scouts told us of the gracious hospitality which they encountered at your establishment. We know that this is an exceptionally busy time for you, and that the headaches are many and the bouquets are few.

We, the undersigned, wish to throw a bouquet to you for a job well done.

Sincerely yours,

## Local Soldier Selected As Outstanding

Mr. and Mrs. William LaGrow received a letter last week from Lt. Col. C. J. Molloy, Jr., Commander of Co. M, 1st AIT Brigade at Fort Dix, N. J., that their son E2 Joseph LaGrow was selected as the Colonel's orderly and outstanding member of the Brigade Guard, on March 31st. The Colonel's letter continues "this time-honored tradition of selecting the soldier whose personal bearing and military equipment is perfect has always been recognized as an honor to the individual and the company he represents. Your son's selection reflects credit upon himself and those who have contributed to his character development."

Are you paying more than  
**11½¢** a gallon for your residential  
heating oil?

If you are, you're paying too much  
to heat your home.

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that

the more you use, the less it costs per unit. That's a bargain in anybody's book. (Can't pay for the cost of conversion right now? Here's good news: Whether you convert your present furnace, or even install a new Gas furnace, Michigan Consolidated will pay for it and its installation by a qualified heating contractor. And it won't

cost you a penny until October 1, 1966!) So why not make your present oil furnace more economical this winter? Have it converted to economical natural Gas. Then you can start putting your money in the bank for a change. Instead of in your furnace. For full details, call us or your heating contractor today.

### Veterans of Foreign Wars Progress and Background

Basic groundwork has been done in Grayling, Crawford County to start a V.F.W. post.

Our next meeting will be on April 24th at 3 p. m. in the basement of the Moose Lodge in Grayling. Lunch and refreshments will be served then right after meeting.

We extend a warm welcome to all qualified veterans.

V.F.W. formed in 1899, right after the Spanish American War. The V.F.W. of today has a membership of over 1,000,000 and is growing in strength. V.F.W. National headquarters is in Kansas City, while in Washington, D. C. are its Legislative service, Rehabilitation and Public relations activities.

Its symbol is the Cross of Malta, originally the emblem of the Knights of St. John world's first great brotherhood of men who fought to free the oppressed and minister to the sick and needy. Like the Crusaders of 1000 years ago, the V.F.W. stands pledged to defend human rights in time of Peace and War. The V.F.W. motto is, "We Honor the Dead by Helping the Living."

It is the only veteran organization maintaining a National home for the veteran's widow and orphans. This great haven, one of the most modern of its kind in the country, is situated on 640 acres of land near Eaton Rapids, Mich.

In the last year in over 6000 communities, V.F.W. carried through to completion more than 750,000 service projects in all fields. They have been warmly applauded for their youth activities, which is only one of their various activities in the nation.

An adjunct is the Ladies' Auxiliary which, Nationally, has approximately 325,000 members. Headquarters are also in Kansas City.

Will All You Try To Join?

### Bits O' Talk

## Old Movie Film Sought For History Of Michigan In Early 1900's

An unusual historical treasure hunt is under way in Michigan. The treasure may be almost anywhere — in attics, in basements, in garages — and probably is concealed in rusty old tin cans. It is old film footage, shot in Michigan between 1900 and the 1930's. If it can be found, some of it may wind up in an important new motion picture being produced by Consumers Power Company for use in Michigan schools.

An appeal for help in locating these rare and often unique bits of film is made by motion picture

producer, William Murray of Port Huron, who is researching a half-hour film of Michigan during the first half of the 20th century. The new motion picture, commissioned by Consumers Power, will be the third and last in a series of award-winning films about Michigan's history. The first, titled WHEN MICHIGAN WAS YOUNG, was released in 1964. It covered the period from the Ice Age to about 1800. The second film, titled MICHIGAN-1-A, was released late in 1965. It deals with Michigan's coming-of-age as a state in the 19th century. The third film, as yet untitled, begins about 1900, and brings the story of Michigan to the 1980's.

Since the movie camera wasn't invented until 1888, and because motion pictures didn't come into general use until early in the 20th century, the two earlier films utilized drawings, etchings, sketches and paintings of the period. These were brought to life by a process

called iconographic animation. As the historical spotlight moves into the 20th century, however, it becomes possible to reflect this exciting period of Michigan's development in true motion pictures. That is, if the right film can be found.

"By coincidence," says Murray, "motion pictures came to Michigan at the dawn of the 20th century. The first movie known to have been made in Michigan was of the 1899 Memorial Day parade in Detroit. It was taken by George Sterling with a hand made motion picture camera. Mr. Sterling hired a hall to show his movie as a public marvel. No one knows what happened to that film. Perhaps it is in someone's attic."

The Ford Motor Company pioneered in producing a newsreel for theatres, beginning in 1914. This was expanded into educational films and travelogues. Much of Ford's early footage of Michi-

gan was donated to the National Archives, and thanks to Ford's foresight and interest in history this footage is expected to make a valuable contribution to the story of Michigan in the first half of this century."

Murray says he is trying to contact as many of Michigan's old-time movie men as can be found, as well as persons who knew the ones who have died. He hopes in this way to discover long-forgotten caches of old film.

"Obviously, we can't include all of it in one 27-minute motion picture," he says. "But a good deal of important footage, that otherwise might deteriorate and be lost forever, will thus be saved."

Murray asks anyone with old film in his possession to contact him at Port Huron, 4180 Dixie Highway, Drayton Plains. His telephone is (Area Code 313) 674-0489. Or contact your nearest Consumers Power Company office.

## Attend The Church Of Your Choice

The Family That Prays Together...

Slogans have their place. But no slogan can really express the value of worship for a Christian family.

That those who pray together generally stay together is simply a statistical fact derived from someone's study of divorce and delinquency records.

What is important to the millions of American families who will attend church next Sunday is the spiritual foundation upon which they have chosen to build life. They are finding a way to meet and overcome the obstacles that so often frustrate the self-sufficient. They are seeking truth that endures.

Religion is not a gimmick that automatically insures happy marriage, well-behaved children or social well-being. But the family that prays together ultimately learns from God Himself the meaning of love, understanding and sacrifice. And these affect our homes... and our world.

### THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

## Carl Minor To Attend Education Conference

Supt. Joseph Stripe has received word from the State Department of Education that a special Workshop relative to Public Act 379 and Public Act 282, 1965, and dealing with Public Employee-Relation Laws will be held at Central Michigan University on Tuesday, April 19. Acting State Superintendent of Public Instruction states that the Workshop has been arranged through the State Board of Education in conjunction with the School of Labor and Industrial Relations at Michigan State University, the Michigan Education Association, and the Michigan Federation of Teachers.

The Workshop is intended for school employees and will be similar to one conducted for school administrators and Board of Education members last fall. At that time Supt. Stripe and Dr. Paul Doseh, Board of Education member, attended the Workshop held in Indian River.

The program at Central Michigan University will deal with an explanation of the workings of the Labor Mediation Board and a discussion of Public Acts 379 and 282. It will not deal with policy questions with respect to negotiations, which are the responsibility of the school organization groups.

Carl Minor, Secretary of the Grayling Education Association, will represent the local teachers at the conference. A report on the Workshop will be presented at the April meeting of the Grayling Education Association.

## Extension Group Offers Midland Dow Tour

Arrangements have been made by the Crawford County Extension Study groups for a tour of the Dow Plastics at Midland, May 3, with a dutch treat luncheon at the Dow Cafeteria. In the afternoon there will be a tour of the Dow Gardens and several Midland churches.

The bus will leave the Crawford County Court House at 7:00 a. m. Reservation and a \$3.00 fee for the bus must be sent in to Mrs. Clayton Hildebrandt by April 23rd. This tour is open to all ladies interested in going.

## Local Student Wins High MSU Office

EAST LANSING — Jean Fisher, daughter of Mr. and Mrs. Harry C. Fisher, Grayling, has been elected president of the Associated Women Students at Michigan State U.

Associated Women Students is the service and governing organization for every undergraduate woman student. In addition to its function at the women's student government, AWS provides programs for women which complement their academic study.

Miss Fisher is majoring in English at MSU.

## Twin Bridges

By Mrs. Esther Herrick

Mr. and Mrs. Howard McCann and 3 sons of Kalamazoo came up to their parent's cabin to spend the Easter weekend, bringing their mother Mrs. Feen McCann home after her spending the winter visiting relatives in Easton, Pennsylvania, New Jersey, Detroit, Birmingham and other places. Welcome home Mrs. McCann.

Mr. and Mrs. Otto Loeffler of Detroit spent the Easter weekend at their cabin and visiting their parents, the Paul Loefflers.

Mr. and Mrs. Gordon Herrick and daughter Nancy and her fiancé, Mr. Ernie Dacey and son Bob Herrick, all of Royal Oak, spent Easter weekend with their parents, the Fred Herricks.

Mr. and Mrs. Jack Spear of Saginaw spent the Easter weekend at their cabin and visiting the Bud Bollmans.

"Read The Avalanche"

## LETTERS TO THE EDITOR

April 7, 1966

Dear Editor:

I have just finished reading the article in the April 7th edition of the Crawford County Avalanche, captioned "Clean-Up Drive April 15-May 15". The last sentence in the third paragraph; "Look around you and see what you can do to improve your property" was of particular interest to me as I have been doing that since we purchased our property late last summer.

The house is located at 509 Peninsular at the corner of Ogema. At the time we moved into the house, the biggest eyesore was the illegal and irregular parking of various trucks and cars from a garage. Not only were they parked over the sidewalk but they also pulled up on the lawn to turn around. Aside from this, it created a traffic hazard as there was not sufficient room on Ogema for two cars to pass each other in the normal flow of traffic. It also prevented drivers obeying the "No Parking" sign on Peninsular from having a clear view of traffic before proceeding across Ogema.

An appeal to the city manager and city council resulted in "No Parking" signs being placed at the lot lines on Ogema. People still continue to park there and the Police Department has not been enforcing the "No Parking" signs.

Now, I have an additional "eyesore" and a parking problem of my own. The employees from the garage have taken over the parking area in front of the house, leaving no space for our own car, or the people who live in the apartment upstairs.

Yesterday, there were two trucks and three cars parked in the "No Parking" area and one truck and four cars in front of the house. This morning when I left the house, there were two trucks and two cars in the "No Parking" area and five cars and one truck in front of the house.

I realize that my problem is not unique, but I would like to know what chance a citizen has to successfully do anything to improve

his property, when regardless of what he does, the effect is marred by the lack of common courtesy and consideration on the part of others in the community?

## Later Than We Think? . . .

The 1965 session of Congress authorized an unprecedented mass of welfare legislation, whose ultimate cost can only be guessed at. Senator Mansfield, the majority leader, says: "We passed a lot of bills, some of them very hastily. They stand in extreme need of being over for loopholes, rough corners, and particularly for an assessment of cost."

A hard-hitting commentary on the current situation is provided by Charles Stevenson in an article featured in the March issue of The Reader's Digest. His conclusion: "Isn't it time for us to stop kidding ourselves that politicians' statements of noble purpose, combined with 'phony gifts,' constitute a substitute for achievement? Isn't it time for us to insist that the politicians make old welfare programs work before they plunge us into a host of new ones? The record shows that the inherent astuteness of government spending programs is invariably compounded by inefficiency. Still more of the same will waste the taxpayers' hard-earned money while risking national ruin by inflation and taxation. And it will turn a nation of self-reliant people into a nation of individuals so dependent on government handouts that they have neither the will nor the capacity to endure."

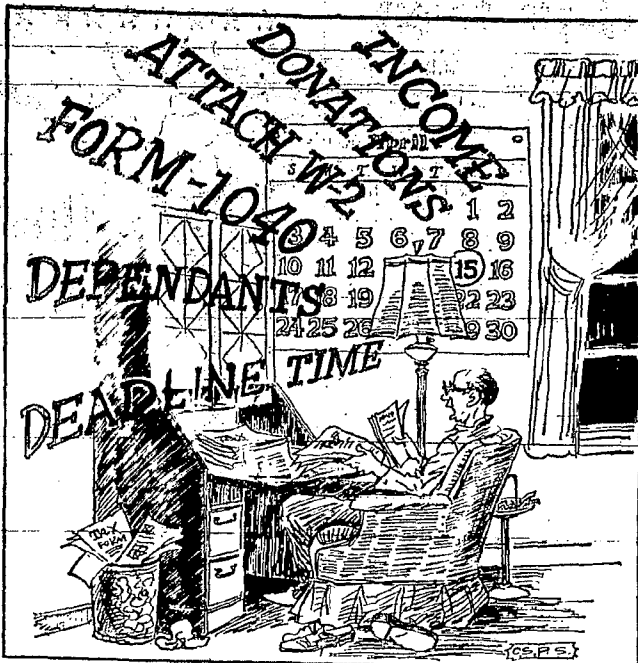

## When The People Get Soaked . . .

In one of his recent Newsweek columns, Henry C. Wallich deals with the surging problem of inflation. And what he has to say should send shudders up the spine of everyone who is concerned with what remains of the dollar's value.

Washington, he observes, "... seems to be raising its inflation tolerance." In other words, it seems to have drifted into an attitude where steady inflation is more or less calmly accepted as a fact of life.

At the end, Mr. Wallich makes this point: "Is there anything the saver can do to protect himself? ... The fact is that the great majority of people are defenseless against inflation, if the government will not protect them. Inflation, it has been said, is the time when people who have saved for a rainy day get soaked. That soaking seems about to begin."

All that can save us, apparently, is an assumption of fiscal responsibility on the part of the Congress—a responsibility that will take the form of drastic cuts in every nonessential expenditure. We cannot fight a

major and extending war and create an incredibly expensive welfare state at the state time without eating away the dollar's value at a dismaying rate. This is the most critical of the domestic issues the country faces.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

April 15, 1943

Board of Supervisors are now in session. Two new members, Frank Millikin replaces Hjalmar Mortenson for Beaver Creek township and Edwin Carlson replaces Frank Sales for the city.

Time to stop talking about the weather and start sweating at it. Snow Sunday night and Monday and Tuesday and Wednesday, and don't know when it will stop.

Mr. Alvin LaChapelle was host to the basketball fellows at a very fine feed at Zuel's Tavern Thursday evening. Those who had themselves a real party were Coach Willard Cornell, Carl Henry Nielson, Ross Thompson, Robert LaChapelle, Robert Clark, Alfred Hanson, Albert Gierke, Arthur Sedman, Sandy Thompson, Guy Wheaton and James Kolka.

Of interest to Grayling friends will be the marriage of Miss Ella M. Guild of Clio to Mr. Leigh H. Duncan, which took place in St. Petersburg, Fla., on April 7th. Mr. and Mrs. Duncan will be at home after June 1st at Tonawanda, N. Y. Mrs. Duncan will be remembered as a former teacher in the Grayling schools during the early 1900's, and was well known to many here.

Mrs. Fred Bishaw is visiting her husband who is on the boat and is in port at Chicago.

Hazen Hatfield left Sunday to work on the steamer William P. Palmer which is now in port at Chicago.

Mrs. Ernest Bissonette of Grand Blanc visited at the home of her sister Mrs. Harold Hatfield over the weekend.

Due to war time conditions the annual spring vacation for the Grayling Public Schools has been cancelled this year. School will be closed Good Friday, April 23 and Monday April 26, to allow time for bus repair and spring cleaning. Classes will resume Tuesday morning, April 27.

Mrs. Leo Koepfer, Mrs. Stanley Flower, Mrs. H. J. Shaw and Mrs. William Randolph drove to Petoskey Wednesday.

Mrs. Carl Larson wishes to correct the statement that the fire at their home started from an out of control grass fire. A spark from the burning grass ignited the roof of the house.

Everyone reads Tony Weitzel's Town Crier column in the Free Press. Spike MacNeven and his "sound-effects" were the subjects of discussion in a recent article. He said as follows: "I sadly fear that Spike MacNeven and the boys up at Grayling have gone slightly Hollywood on us. Grayling is where you go for winter sports and that healthy glow in the countenance and Spike's is where you go for cheer when your ears are about ready to crack and fall off. Spike helps the ski customers worry, too; and their principal worry is that they'll be so absorbed in skiing or she-ging that they'll miss the homeward-bound snow train. Spike, while watching the New York Central snowplow chuff-chuff past, got an idea. He got Uncle Alfred Hanson and his sound recorder and Johnny Johnson and they went out into the subzero-weather and persuaded Engineer Joe Flynn and Fireman Lester McPeak to make the right noises with their steaming Betsy. The record came out very good. So next winter, or whenever people get back to such simple pleasures as skiing again, the tourists will be startled from their skis and toboggans by the sudden roar of a locomotive roaring and clanging down on them as train time approaches. That'll be Spike's sound effects in action."

Mr. and Mrs. Ernest Little, Kalkaska, have announced the marriage of their daughter, Miss Ernestine E. Little, on March 28 at Lawton, Oklahoma, to Corporal Dewey R. Coutts, United States Army.

son of Mrs. N. B. VanNatter, of Grayling was here also.

46 YEARS AGO

April 15, 1920

Donald Babbitt of this city received last Monday an official certificate from Gen. John A. Lejeune, citing him for bravery during engagements at Somme in France. Incidentally Donald is a lieutenant in World War II.

Mr. and Mrs. Edward Mayotte of Detroit were visiting friends here over the weekend.

Mrs. Wesley Dunham and little daughter Sandra Claire of Ann Arbor arrived Thursday and will remain until after Easter.

Max Ferguson of Ft. Logan, Colorado, arrived home this morning for a week's furlough with his parents. Mr. and Mrs. William Ferguson.

Imagine First Lieutenants Fred C. Welsh and Leonard Knibbs meeting in Australia. They are located only about 30 miles apart. This meeting must have been a real treat.

Mr. Arthur Holten celebrated his 60th birthday Saturday evening. Guests included Mr. Harvey Sheffer, Nels Olson, Mr. and Mrs. Harvey Holten, Mr. and Mrs. George Long, Dorothy Reava, Mr. and Mrs. George Skinner and Mr. and Mrs. Walter Tahvonen.

Those from out of the city here for the funeral of Russell H. Colter were his daughter, Mrs. William Higbee (Hazel) of Grand Rapids, Miss Viola Higbee of Pontiac and Clarence of Royal Oak.

Mrs. Truman Lavack and family are moving to Midland to be with Mr. Lavack who is employed there.

Mrs. David Montour, who spent the winter in Inkster, returned to her home here Sunday. She brought her grandson Dean Doty of Wayne home with her for a visit.

Cpl. Milford Parker, who is stationed at Ft. Sam Houston, Tex., was here on furlough Sunday and Monday to visit his mother Mrs. Melvin Engvall and sister, Mrs. Axel Peterson and family.

Donna Carlson was hostess to 19 girls and boys Saturday afternoon at her home to celebrate her 12th birthday that fell on April 8th. A number of games were enjoyed with prizes awarded for each. Donna's mother served a delicious lunch.

Miss Phyllis Rasmussen and brothers Ralph and Earl of Marlette drove to Grayling Saturday to visit their grandparents, Mr. and Mrs. A. F. Gierke. Miss Phyllis, who has joined the WAVES will report for duty in New York City on April 19th. Mrs. Rasmussen, who had spent a week here, returned home with them.

Orville Armstrong of Frederic, while driving a team in some manner got behind the wheel of the wagon and the team backed up and ran over the little fellow. He was taken to Mercy Hospital Monday evening.

C. Henry Battles and Lyle Dunkley both had the misfortune to lose a valuable cow this week.

Arthur Feldhauser of Ypsilanti leaves Thursday for the army, after spending the week with his parents. His sister, Miss Virginia

Sen. John T. Bowman, D-Roseville, said he foresaw the problem that the public would assume the entire \$10,000 allowed was being spent by every committee. This would be a very high figure for most committee activity in past years.

The other side of the coin is that legislators might feel the limit is a mandate for spending, rather than a ceiling.

Sen. Bernard O'Brien, Detroit Democrat who heads the Insurance Committee whose activities at least partly prompted the limitation, said he planned to ask for \$5,000 before the ceiling was set.

Under normal circumstances, for routine committee business, even this would be a relatively high figure. He didn't indicate whether he would keep his committee expenditures within his intended request in view of the higher level set by the leadership.

Spending by legislative committees has frequently been criticized in many quarters. Study trips near and far have been used and abused often enough to have earned the derogatory name, junkets.

Whether the \$10,000 spending limit will do much to improve the image of committee study is questionable. Previously each committee asked for specific appropriations for interim work such as the various trips.

Only if the limitation is used as a guideline, maintaining careful scrutiny of individual sizeable expenditures, can the image of committee work hold any hope for improvement.

## School Board Minutes

The regular meeting of the trus-  
tees of Grayling Public Schools  
was held in the high school prin-  
cipal's office on Monday evening,  
March 14, 1966 at 8 o'clock. Pres-  
ent were trustees Millikin, Smock,  
Thompson, Dosch, Pettyjohn,  
Strong, Supt. Stripe and Richard  
DuBois. Absent Henig.

The financial report showed  
\$34,108.06 in the general fund as  
of February 28, 1966; \$41,830.29 in  
the debt retirement fund; \$21,549-  
65 in the building and site fund  
and a deficit of \$187.65 in the hot  
lunch fund. 5,177 lunches were  
served to children during the  
month, 233 to adults, with an aver-  
age daily participation of 288. Lun-  
ches served free or at reduced  
rates numbered 396.

Bills numbered 5,554 through  
5,617 in the amount of \$47,486.13  
were unanimously approved for  
payment on motion of Smock sup-  
ported by Pettyjohn.

It was noted the votes of the  
Community College election had  
been canvassed.

A letter was read from the  
Chamber of Commerce comment-  
ing on the condition of the school  
facilities they had used for the  
Queens Pageant and the secretary  
was requested to answer it and  
send a copy of regulations govern-  
ing the rental of school properties.  
The policies had been unanimously  
approved on motion of Pettyjohn  
supported by Thompson.

On motion of Smock supported  
by Dosch the board approved a  
Chamber request for the use of  
school facilities to house approxi-  
mately 180 skin divers who have  
volunteered to do a river clean up.  
Concerning using the school buses  
to transport them to and from the  
river there was unanimous agree-  
ment on motion of Dosch supported  
by Smock that this would be  
done if the Chamber furnished the  
necessary liability insurance and  
the act is within the law govern-  
ing school bus usage.

A letter was read from absent  
member Henig giving his views  
on various current school issues.

A letter was read from the Te-  
achers Club requesting the board to  
make a policy stating that if teach-  
ers' hospitalization, which is  
now carried by Michigan Blue  
Cross-Blue Shield, is ever changed  
to another carrier, the new carrier  
must include all retirees which is  
a policy of the present carrier.  
On motion of Strong supported by  
Dosch this was done.

A letter from J. W. Korn con-  
cerning the Deming account was  
read. The account not paid as work  
not completed.

It was noted that the spring  
meeting of the Michigan Associa-  
tion of School Boards is schedul-  
ed for April 13th in Oscoda and  
the Annual Conference for school  
board members and administra-  
tors in Ann Arbor on March 25.  
As the next regular school board  
meeting would normally fall on  
the Easter Monday, it was agreed to  
advance the meeting one week to  
April 4.

The Supt. announced the Calvary  
Baptist Church would use the El-  
ementary School on April 16th;  
that Lacey Stephan Sr. had appli-  
ed for work; that Mr. Gerald Han-  
son had been hired by the C.O.O.R.  
district to act on government  
titles; that the C.O.O.R. budget  
would be presented Thursday eve-  
ning, March 17 at the Roscommon  
Court House.

The school calendar for 1966-67  
was presented and unanimously  
accepted on motion of Thompson  
supported by Millikin.  
A schedule of spring and sum-  
mer elections was presented: Reg-  
ular school election June 13, the  
terms of Millikin and Pettyjohn  
expiring, to vote for board mem-  
bers for C.O.O.R. district at the  
same time; consolidation election  
June 20th (possible merger of  
Frederic and Grayling districts).  
Decision on purchase of a metal  
lathe and business machines tabl-  
ed.

The Supt. recommended that  
vocal music and band be taught  
full time.  
A lengthy discussion was held on  
driver education salaries, baseball  
and basketball. Thompson to work  
with Supt. Stripe in locating a bas-  
ketball coach.

Due to the fact the school ad-  
ministration can not condone any  
trip except regular school spon-  
sored trips, a motion by Strong  
supported by Dosch passed unani-  
mously that seniors not going on  
the senior trip are expected to at-  
tend school.

The Supt. announced that the  
school district had been granted  
\$16,159.65 under Title One of the  
E.S.E.A. Act of 1965 to provide in-  
struction and equipment for a full  
time remedial reading, guidance  
and counseling program, Fraser  
Dean to be in charge.  
A reading, recreation and health

The minutes of the last meeting  
were read. Comm. Mead made a  
motion, supported by Comm. John-  
son, that the minutes be approved  
as read. All voted in favor, mo-  
tion carried.

A letter from the Michigan De-  
partment of State Highways was  
received outlining the state trunk-  
lines to be turned over to the con-  
struction of I-75 from south of Gray-  
ling Southeast toward Roscommon.  
Commissioner Johnson made a  
motion, supported by Commis-  
sioner Mead, that Engineer-Super-  
intendent be appointed acting sec-  
retary of the Board of Crawford  
County Road Commissioners. All  
voted in favor, motion carried.

After discussing the proposed  
construction program for 1966, a  
motion was made by Comm. Mead,

## Boat Owners Must Re-Register This Year

Pleasure boat owners were re-  
minded by the Michigan Sheriffs'  
Association today they must re-  
register their crafts before using  
them this season.

Association President, Thomas  
E. Bell, Genesee County Sheriff,  
said the marine deputies of the  
Sheriffs' Water Patrol will strictly  
enforce the registration law this  
year.

Michigan law requires that all  
motor-powered pleasure boats  
must be registered every three  
years for a \$3 fee. Prior regis-  
trations expired December 31, 1965.  
Bell added that in cases of own-

ership transfer, a \$1 fee is requir-  
ed within 15 days of the time of  
purchase of the boat. In addition  
boats 16 feet or longer used on the  
Great Lakes or connecting waters  
require special plates at an addi-  
tional fee dependent upon the size  
of the boat.  
"The boat registration law is  
something many of our boaters  
procrastinate on until the last  
minute when they're ready to put  
their boats in the water. Don't  
get caught without your registra-  
tion when boating fever hits you  
during the first warm and balmy  
spell," Bell said.

The American Cancer Society says everyone should know cancer's seven danger signals. They are: 1) unusual bleeding or discharge; 2) a lump or thickening in the breast or elsewhere; 3) a sore that does not heal; 4) change in bowel or bladder habits; 5) hoarseness or cough; 6) indigestion or difficulty in swallowing; 7) change in a wart or mole. If any of those signals lasts more than two weeks, see your doctor at once. The faster they come to the physician's attention — the more lives can be saved.

## **Winners Named In Bear Archery Dealer Contest**

Fred Bear, president of Bear Archery Co., Grayling, Michigan, has announced the winners of his company's North to Adventure contest.

About 2,500 Bear dealers competed in the dealer-incentive program. First prizes were awarded a two-week, all expense paid bow-hunting trip to Alaska with Fred Bear. The trip is slated for sometime in August.

Winners are Charlie Nicholas of Starlight Archery Co., Warren, Michigan; Rod Kelley of Kelley's Archery Co., Palmyra, Pennsylv-

ania; Norm Mallonee of the Bow Rack, Albany, California; and Ron Berkley, archery manager of Davis & Son, Louisville, Kentucky. The J. L. Hudson Co., Sports Department, Detroit, Michigan, the fifth winner, accepted a cash prize in lieu of the trip.

Bob Winquest, a Bear sales representative will also join the Alaskan hunting trip. He is winner of the Bear salesman contest.

The hunting party will journey to Anchorage, Alaska, sometime in August and be flown by bush pilot to a secluded hunting spot about

a hundred miles from Anchorage. This haven for hunters abounds in record class caribou, moose and other big game.

Fred Bear will take 16 mm color and sound movies of the hunt. A copy of the film will be given to each of the prize winners.

## BITS O' TALK

Mr. and Mrs. Tom Robertson enjoyed having their son Joe home from Duke University, Durham, N. C. the week before Easter, with his fiancée Mary Ellen. The Robertsons' son Eddie was home from Alma College for Easter weekend.

Mr. and Mrs. Stan Berry visited their son Wayne in Chicago Thursday to Sunday.

Charlie Flick minded the service station for Dale Smith one day recently while Dale gave assistance to a stranded lady with no funds whose car had broken down in Grayling. She had explained her problem two other times before finding someone to help her.

Miss Karen Atkinson had as her guest Easter weekend Dick Nyland of Grand Rapids, at the home of her mother, Mrs. Alex Atkinson.

We do fibre-glass drapes at Bill's Laundry and Dry Cleaners.

Those at the home of Mrs. Norman Johnson for Easter were Evelyn Johnson of Saginaw, Mr. and Mrs. Russell Rowe and Mrs. Lynn Rowe and three boys of Traverse City, Mr. and Mrs. Chester Johnson and family, Loretta Williams and Mabel Christenson. The Russell Rows had just returned from a vacation in Florida, Pennsylvania, Niagara Falls and Canada.

Mr. and Mrs. Roy Smith are happy over the arrival of a granddaughter, born Easter Sunday, April 10th, to Mr. and Mrs. David Welch (Arlene) at Blodgett Hospital in Grand Rapids. Paternal grandparents are Dr. and Mrs. W. Wilbert Welch of Grand Rapids.

Mr. and Mrs. Lewis Stillwagon and Mr. and Mrs. Allen Barkley of the Manistee River returned home Saturday from chaperoning fifty Hi-Y members of Lansing on a skiing trip to Breckenridge, Colorado and to all who visited me, sent cards, flowers and gifts to brighten my days in the hospital.

### CARD OF THANKS

My thanks to the doctors, nurses and other hospital personnel for excellent care, to pastors who called and to all who visited me, sent cards, flowers and gifts to brighten my days in the hospital.

## \$1,400 In Tax Deductions, Locally

(Special to the Avaloncho)

**NEW YORK** - Do Crawford County residents give more to charity than people elsewhere in the country do? Are their local taxes larger than average? Do they have bigger medical expenses than others?

The questions arise at this time because of the Federal income tax. Local residents who plan to itemize their expenditures this year will be listing these items as tax deductions.

For the individual taxpayer, to know whether his deductions are high or low compared with what other people in his income bracket are taking, could be very helpful.

Some guidance in this direction comes from the Commerce Clearing House, a national authority on tax matters.

Using data compiled by the Internal Revenue Service, it has prepared a table showing just how much the average family in each income category deducts for contributions and gifts, for taxes, interest on loans and the like.

It shows that families throughout the United States who have incomes corresponding to the average in Crawford County list tax deductions averaging \$1,440, equal to 20.6 per cent of their gross earnings.

Making up this total are contributions amounting to \$245, interest payments of \$480, deductible local taxes of \$435 and medical and dental expenses of \$300.

In some families, the deductions will run well above these figures. The fact that they do, does not mean that they are improper or that they will be disallowed. It merely means that they are more likely to be questioned and the entire report set aside for review.

Guidelines are also presented in the report to show what the normal tax deductions are for taxpayers in other income brackets.

Residents of Crawford County who have gross incomes of \$5,000 will be within bounds if they deduct no more than \$1,118. Those with incomes of \$7,500 may go as high as \$1,506 and those at the \$10,000 level may take as much as \$1,891.

The Commerce Clearing House emphasizes that the figures are only a guide to what most people are listing as tax deductions and that proper records must be available to back up all claims.

Our '66 Ford has one of the world's quietest rides...the strongest Ford body ever...a new-concept frame...and a unique suspension designed to take the thumps out of bumps. (With our family the quiet doesn't mean much. But it's nice to know the quality's there.)

1966 LTD BY FORD

The quiet-riding Ford is a roaring success. After driving a '66 XL or LTD by Ford, owners of such luxury cars as a hand-crafted Jaguar and a \$14,000 Mercedes said that Ford was even quieter than their custom-built cars. And Ford offers much more: Stereo tape player option for the music of your choice, a Optional automatic speed control for foot-free cruising, a Exclusive Magic Doorgate on station wagons swings out like a door for people...and down like a tailgate for cargo, a Optional Ford Select-Aire Conditioner is built in, not hung on, a Safety Convenience Control Panel option has lights to warn you if fuel's low or door's ajar. See your Ford Dealer and take a '66 on the Q.T. - Quiet Test a Ford today.
